

~Please DO NOT TAKE AWAY THE K-LOVE Signal in my area by expanding
Low Power FM.

~K-Love changed my life at 2:30 am, December 3rd, 2001. I'd just left my husband
in Cardiac Care where I was told he would never regain consciousness. Shattered,
hopeless, I was weeping in my car when K-LOVE came on my 'broken' radio with the
message of God's peace.

I listened. I called K-LOVE. My hope was restored.

~Because K-LOVE reaches our area 24 hours a days, FREE, lives are changed. The
elderly, the battered, the abandoned, the unemployed, the overwhelmed are given
hope and encouragement.

~K-LOVE enriches lives. God has a message for everyone. He's waiting for you to
listen. Don't take my word for it - tune in today.

~
